

Program Overview

1. Versions

The current version of the program is the first version since this program is recently approved and no students were enrolled yet.

2. Mission

To prepare high-quality trained graduates in occupational therapy through providing excellent academic programs, participating in scientific research, and establishing effective community partnerships.

3. Objectives

1. Deliver high-quality occupational therapy graduates informed by the latest evidence
2. Support Leadership and advocacy for occupational therapy through improving communication and collaboration skills
3. Provide advanced and high-quality educational programs with suitable educational and research environment
4. Provide high-quality human resources to serve multiple communities
5. Provide practical and clinical opportunities in line with international standards.

4. Curriculum Structure

Table 3. Occupational Therapy Curriculum Structure

Program Structure	Required/ Elective	No. of courses	Credit Hours	Percentage
Institution Requirements	Required	4	7	8%
	Elective	2	4	3%
College Requirements	Required	15	37	28%
	Elective	0	0	0%
Program Requirements	Required	30	74	55
	Elective	2	6	3%
Capstone Course/Project	Required	-	-	0%
Field Training/ Internship*	Required	-	-	0%
Residency year		-	-	0%
Others (Free Courses)	Elective	2	4	3%
Total		55	132	100 %
*Not calculated within the weight of the total credit hours				

5. Study Plan

5.1. Academic Year-1

5.1.1. Level-1
